

## Consent and Release Form

I, \_\_\_\_\_, grant Parachute Leaders in Injury Prevention (hereafter Parachute) permission to use the written, audiotaped or videotaped interviews/statements/stories, or photographs that I have given to Parachute. I acknowledge that Parachute may use any of these materials in its public awareness and education programs, fundraising initiatives or other lawful activities.

I acknowledge that I am voluntarily agreeing to provide these materials to Parachute and to allow Parachute to use them. It has been explained to me that I am under no obligation to participate. Furthermore, I understand that my decision not to provide these materials will have no effect on my ability to access Parachute's programs, serve as a volunteer or otherwise fully participate in the activities of the organization.

I further acknowledge that I have freely chosen to make these materials available to Parachute and that I will not be compensated directly or indirectly for doing so. I accept that I will not receive any financial compensation or benefit either now or in the future, for voluntarily providing these materials to Parachute, even if they are used in Parachute's fundraising campaigns or activities.

I am aware that, on giving Parachute written notice, I may withdraw my permission to allow my materials to be used in any future campaign or project. On receipt of your signed written notice withdrawing permission, Parachute will not use your materials in any **new and future** publication activity, campaign or project. Moreover, I expressly acknowledge that Parachute may continue any **existing or ongoing initiatives**, campaigns, publications, or other project into which my materials were included prior to my receipt or my written withdrawal of permission.
